## A WEALTH OF GOOD TASTE

A bull market is a financial market in which prices are rising or expected to rise. 'Bull market' and 'bull run' are most often used in reference to the stock market. However, the terms can be applied to anything that is traded, such as bonds, currencies and commodities.

THE BULL RUN & DOLLAR BAR

Please note that while every effort is made to use fresh ingredients in the preparation of food and beverages served on the premises, food and beverages served may contain permitted artificial colourants, flavourants and preservatives, including dairy products, ice-cream, frozen desserts, proprietary sauces, juices, preserves, jams and preserved meats. In addition, certain foodstuffs have been packaged and prepared on premises in which nuts may be present. Non-halaal and non-kosher foods are also prepared and served on the premises.
